# Drawing Sticks, Sauce & Pastels

Sauce, Sanguine, Sepia and Pastels are tested in accordance to: ASTM D-4236 and bear safety labels to the standards issued by ACMI.

## Sauce Drawing Sticks by Richeson

This is a medium from the Dark Ages – few of today’s painters have had the opportunity to work with it. Sauce was a nearly-extinct medium that offered a full ten value tonal range. In the tumult of the last century, Sauce was all but lost to the world’s artists. It survived only in Russia. It is a stick much like a soft pastel, but when applied to paper, it gives a sensation of warm silk, slightly greasy but not oily. Breaking the Sauce down into its powder form can add to the versatility of its use. Each wooden boxed set contains 10 sticks which measure: 7/16" x 2-1/2".

NUMBER	DESCRIPTION
19311	1 stick each color

## Yarka™ Sanguine and Sepia Drawing Sticks Wood Box Sets of 20

Yarka Sanguine and Sepia, are made from high grade pigments and Chasov Yar clay. These water-soluble, monochromatic crayons are best used on drawing paper or primed canvas.

NUMBER	DESCRIPTION
19411	5 sticks each color (dark & light)

## Yarka™ Pastels by Richeson

Yarka Pastels are available in wooden boxed sets. The formulation process features durable, finely ground mineral and earth pigments. These high quality pigments are then combined with just the right amount of kaolin and Chasov Yar clay. Water-soluble Yarka Pastels feature a velvety response in 60 colors.
